Sub: Permission for student presentation on Future Prospects in IT.

Respected Sir,

Computech Infosolutions is premier IT Training Institute. We are based in Bhilai & have been rendering our services to students & working professionals, training them in the ever-growing field of Computer Hardware, Networking & Network Security since year 2000. We have been awarded the coveted ISO 9001:2008 certificate. For over a decade and half, we have been delivering proficient Job Oriented courses & helping students get placed in top IT companies not only in Chhattisgarh, but in India & abroad. To provide the best offerings, we have tied-up with various top-of-the-class leaders from all over India.

We strongly believe that the seeds to a successful and bright future should be sown at an early age in a person's educational journey. We believe that the knowledge of what to expect in coming days is the key to plan for that successful and bright future. And we believe that as educators, it is our responsibility to make our students gain enough exposure and guidance from us to think about how they can plan and achieve this.

With this motto in our mind, we conduct various workshops and presentations that help students understand the future trends and opportunities in the exciting field of Information Technology. We also guide students that are interested in venturing into this field figure out the best possible options of preparing themselves for a stable & growing career in the field of Information Technology.

Your institution, being one of the premier in our city, gives us great opportunities to help shape the future of our students by increasing awareness about the Information Technology, career options in this field and how to venture into this field. Therefore, we would request you to permit us to organize a presentation with the aim of creating awareness amongst the students about Future Prospects in Information Technology & how to start preparing for it beginning now.

We are sure that with both of us having the same aim of watching our students soar new heights in their future, you would be kind enough to grant us permission to conduct this presentation.

Keenly expecting a positive response from you and open to discussing any other additions to our presentation to make it more valuable to our students.

Thanks & Regards,
