Maintain the washroom wash basin don't work properly and water cooler also sports facilities

Or better

1. establish a regular cleaning schedule for classrooms, common area and corridors 2. Broken gates can compromise the privacy, discouraging students from using the washroom. This can lead to poor hygiene practices and potential health risks.

Every thing is good

Please maintain washroom

Please clean the class rooms, put proper benches , and please plaster the floor Very good

college n very good teachers

Have to keep clean classrooms and washroom Net

All

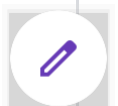

Washroom Door , cleaning

1.Establish a regular cleaning schedule for classroom amd corridors . 2.broken gates of washroom can comprise privacy, discouraging students from using the washroom. This can lead to poor hygiene practices and potential health risk.

Water cooler

We ourselves clean benches by paper before sitting. Cleanliness is only near the entrance but classrooms are never cleaned.
