Maintain the washroom wash basin don't work properly and water cooler also

sports facilities

Or better

1. establish a regular cleaning schedule for classrooms, common area and corridors 2. Broken gates can compromise the privacy, discouraging students from using the washroom. This can lead to poor hygiene practices and potential health risks.

Every thing is good

Please maintain washroom

Please clean the class rooms, put proper benches , and please plaster the floor

Very good college n very good teachers 🙏

Have to keep clean classrooms and washroom

Net facility

Washroom , canteen , girls common room

Classes should have digital screen board

No Suggested

BMM Bhilai is infrastructure, faculty, lab facilities, education resources & environment excellent.

Canteen facilities ko aur improvement ki jarurat h

Improve drinking water facility

Canteen should be neat and clean.. Over all ok

Nice collage
